

FROZEN WORDS  
THAT HIDE ALL OF THE WINTER  
AND KEEP THE LIGHT AWAKE.  
THE LIGHT OF THE GLIMMERING MOUNTAINS  
- HIGH ABOVE THE CLOUDS -  
SPINNING THE SIGHS OF THE MOON.

DARKNESS SURROUNDS THE MEADOWS  
AND SNOW IS FALLING FROM THE SKY.  
ALL THE LANDSCAPE IS COVERED  
WITH DARK AND GORGEOUS WHITE.

CAN YOU SEE THE WHISPERS OF THE WATERS?  
DO YOU SMELL THE HUMMING OF THE LEAVES?  
IT'S NOT THE WINTER OUT THERE,  
BUT THE WINTER WITHIN YOURSELF,  
WHICH COMPLETES THE BEAUTY OF COLDNESS.

AN UNKNOWN BEAUTY,  
NEITHER SEEN BY HUMAN  
NOR BY ANY OTHER LIVING CREATURE.

IMAGINE A WORLD,  
EXISTING THROUGH MUSIC AND SOUND.  
IF THOU CAN,  
HOLD ON TO IT.

KEEP ON WALKIN' TO THE SUN;  
FOR IT'S A WALK INTO THE SUN.

BEWARE OF YOUR THOUGHTS,  
BE CAREFUL WITH BLAME  
AND ALWAYS REMEMBER THE PAST.

AND PLEASE, DON'T EVER FORGET THE FROZEN WORDS!!
